

McDonald's Kitchen Equipment Identification

Each row matches a photo to a specific piece of equipment, identified through cross-referencing McDonald's 'Find kitchen equipment manuals using QR Codes' PDF OR Via a web search.

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_1090.jpg	Henny Penny LOV Open Fryer, 4-Vat (LVE/LVG-200 or -100 Series) (Henny Penny) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-FRYER-HENNYPENNY-LOV-4VAT", "equipment_type": "fryer", "manufacturer": "Henny Penny", "model": "LOV 4-Vat Series (LVE/LVG-200 or -100)", "display_name": "Henny Penny LOV 4-Vat Open Fryer", "reference_images": [{ "image_id": "IMG-FRYER-LOV4VAT-001", "path": "data2/IMG_1090.jpg", "description": "Four-vat Henny Penny LOV fryer bank with overhead automatic basket-lift rails, four wire baskets raised over the vats, and four individual digital vat controllers along the front fascia." }, { "image_id": "IMG-FRYER-LOV4VAT-002", "path": "data2/IMG_1097.jpg", "description": "Front view of a Henny Penny LOV fryer with 'HENNY PENNY' wordmark, dark tempered-glass fascia, overhead basket-lift rails, and a filtration/oil disposal caddy at the base." }], "identification_features": { "visual_features": ["'LOV' branding visible on each of the four digital vat controller panels", "Overhead automatic basket-hoist rail assembly with red-handled wire baskets", "Four independent color touch/button controller heads across the front", "Dark tempered-glass control fascia", "Casters and a filtration/oil caddy at the base"], "text_features": ["LOV", "HENNY PENNY"] } }</pre>	Matched to McDonald's QR Code PDF, Section V (Fryer) - Henny Penny LOV family. The photo shows a 4-vat configuration, which is not one of the exact model numbers listed in the PDF (LVE/G-100, LVE-200, LVG-200 are shown as 2-3 vat units in the reference images); the 4-vat LOV bank is the same underlying LVE/LVG platform scaled up
 IMG_1091.jpg	Garland Clamshell Grill, 3-Platen with Touchscreen Controls (Garland) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-GRILL-GARLAND-MW3-TOUCHSCREEN", "equipment_type": "clamshell_grill", "manufacturer": "Garland", "model": "3-Platen Clamshell Grill, Touchscreen/Product-Recognition variant (MWE3W-1/MWG3W-1 family)", "display_name": "Garland 3-Platen Clamshell Grill (Touchscreen Control Version)", "reference_images": [{ "image_id": "IMG-GRILL-GARLAND-TOUCH-001", "path": "data2/IMG_1091.jpg", "description": "Garland clamshell grill with three raised brown upper platens, a visible 'GARLAND' wordmark, green circular status indicators, and three black touchscreen displays across the lower control fascia." }], "identification_features": { "visual_features": ["'GARLAND' wordmark on the right-side control panel", "Three brown clamshell upper platens, hinged fully open", "Green circular indicator lights above each of the three touchscreens",] } }</pre>	Matched to McDonald's QR Code PDF, Section VI (Grill) - Garland 3-well clamshell grill family. This unit uses touchscreen controls rather than the physical control knobs shown in the PDF's MWE3W/MWG3W reference photo, indicating a newer variant.

Image	Equipment Name & Company	JSON Specification	Comment
		<pre> "Three black rectangular touchscreen control panels (no physical knobs)", "Stainless grease trough and overhead exhaust baffle", "Casters at base" }, "text_features": ["GARLAND"] } </pre>	
 IMG_1092.jpg	Taylor Clamshell Grill, 3-Platen (C858/C860 Series) (Taylor) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-GRILL-TAYLOR-C858-001", "equipment_type": "clamshell_grill", "category": "Grill", "manufacturer": "Taylor", "model": "C858 / C860 (Electric Clamshell Grill)", "display_name": "Taylor 3-Platen Electric Clamshell Grill (C858/C860 Series)", "reference_images": [{ "image_id": "IMG-GRILL-TAYLOR-001", "path": "data/images/EQ-GRILL-TAYLOR-C858-001.webp", "description": "Taylor 3-well/platen electric clamshell grill on adjustable casters, featuring independent upper platens raised by a lift system, distinct touchscreen microprocessor controls, and a stainless steel frame." }], "identification_features": { "visual_features": ["Three separate cooking stations/lanes with independent upper platens", "Microprocessor control panels with digital screens and indicator buttons per station", "Stainless steel chassis construction with bottom storage shelf", "Adjustable 5-inch swivel locking caster wheels at the base", "Upper platens utilize wrap-around release material (Teflon sheets) secured with clips"], "text_features": ["Brand name 'TAYLOR' or 'Taylor United Technologies' visible on the equipment or control panels", "Microprocessor screen displaying product names, cook times, temperatures, and gap settings", "Model plate typical identification strings: Model 'C858' or 'C860'"] } } </pre>	Matched to McDonald's QR Code PDF, Section VI (Grill) - Garland 3-well clamshell grill family (MWE3W electric or MWG3W gas),
 IMG_1093.jpg	Frymaster UHCHD Universal Holding Cabinet (Frymaster) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-UHC-FRYMASTER-UHCHD-003", "equipment_type": "universal_holding_cabinet", "manufacturer": "Frymaster", "model": "UHCHD", "display_name": "Frymaster UHCHD Universal Holding Cabinet", "reference_images": [{ "image_id": "IMG-UHC-FRYMASTER-003", "path": "data2/IMG_1093.jpg", "description": "Frymaster UHCHD holding cabinet in active use with numeric keypad controller, QR code sticker, and six slide-out drawers holding labeled Nuggets, McChick, McCrispy, Strips, Fish and Spicy Chicken product trays." }], "identification_features": { "visual_features": ["'Frymaster' wordmark on the button/keypad control fascia", "Numeric keypad (1-9) with arrow/OK navigation buttons and QR code sticker", </pre>	Matched to McDonald's QR Code PDF, Section XIV (UHC) - Frymaster / UHCHD;

Image	Equipment Name & Company	JSON Specification	Comment
		<pre> "Six stainless slide-out holding drawers with perforated fronts", "Color-coded product containers (green, blue, gray, yellow, red) with printed item labels"], "text_features": ["Frymaster", "Nuggets", "McChick", "McCrispy", "Strips", "Fish", "Spicy Chkn"] } } </pre>	
 IMG_1094.jpg	Frymaster Universal Holding Cabinet, Touchscreen Variant (Frymaster) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-UHC-FRYMASTER-TOUCHSCREEN", "equipment_type": "universal_holding_cabinet", "manufacturer": "Frymaster", "model": "UHC, Touchscreen Control Variant (exact model suffix not confirmed)", "display_name": "Frymaster Universal Holding Cabinet (Touchscreen Control Version)", "reference_images": [{ "image_id": "IMG-UHC-FRYMASTER-TOUCH-001", "path": "data2/IMG_1094.jpg", "description": "Frymaster branded holding cabinet with a color touchscreen control panel (rather than a numeric keypad), power switch, and six numbered empty slide-out shelf slots (1-6) with an overhead bagging/condiment rack." }], "identification_features": { "visual_features": ["'FRYMASTER' wordmark with diamond logo on the control fascia", "Color touchscreen panel (no numeric keypad)", "Physical power rocker switch beside the screen", "Six numbered shelf slots (1 through 6) labeled on both side rails", "Overhead wire bagging/condiment caddy rack"], "text_features": ["FRYMASTER", "1", "2", "3", "4", "5", "6"] } } </pre>	Category matched to McDonald's QR Code PDF, Section XIV (UHC). This is a touchscreen-controlled Frymaster UHC - suggesting it is a different/newer Frymaster UHC model not explicitly named in the PDF
 IMG_1095.jpg	Prince Castle 625-Series Steamer (Prince Castle) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-STEAMER-PRINCECASTLE-625", "equipment_type": "steamer", "manufacturer": "Prince Castle", "model": "625-Series Steamer (625-MCD/625- MFY/625-OS/625-MCDCJP family)", "display_name": "Prince Castle 625-Series Steamer", "reference_images": [{ "image_id": "IMG-STEAMER-PRINCECASTLE-001", "path": "data2/IMG_1095.jpg", "description": "Prince Castle branded countertop steamer with a hinged stainless steam chamber lid and a blue control panel featuring numbered buttons 1-4 and a green START button, plus a McDonald's arches logo." }], "identification_features": { "visual_features": ["Hinged stainless steam chamber with 'CAUTION - HOT' embossed lid and round black knob", </pre>	Matched directly to McDonald's QR Code PDF, Section XII (Steamer) - Prince Castle / 625-Series Steamers.

Image	Equipment Name & Company	JSON Specification	Comment
		<pre> "Blue control panel with numbered buttons (1,2,3,4) and green 'START' button", "McDonald's arches logo and 'Prince Castle Inc.' wordmark on the control panel", "C/F temperature-unit toggle and warning icons"], "text_features": ["PRINCE CASTLE INC.", "1", "2", "3", "4", "START", "CAUTION Hot Surface"] } </pre>	
 IMG_1096.jpg	A.J. Antunes Fry/Bag Holding Station (A.J. Antunes) <i>(Not in PDF's 14 categories / not an exact model match — identified via web search)</i>	<pre> { "equipment_id": "EQ-HOLDING-ANTUNES-FRYBAG", "equipment_type": "fry_bag_holding_station", "manufacturer": "A.J. Antunes", "model": "Not confirmed (controller labeled 'Antunes')", "display_name": "A.J. Antunes Fry/Bag Holding Station", "reference_images": [{ "image_id": "IMG-HOLDING-ANTUNES-001", "path": "data2/IMG_1096.jpg", "description": "Overhead fry-bagging/holding station with an 'Antunes' branded digital timer controller mounted above a mirror-back canopy, wire fry rack, and a below-counter cabinet staged with McDonald's fry cartons and condiment trays." }], "identification_features": { "visual_features": ["'ANTUNES' wordmark visible on the overhead digital timer/controller box", "Left/Right/Disable timer display buttons", "Stainless canopy with mirror-back panel over a chrome wire fry-holding rack", "Below-counter cabinet staged with McDonald's fry cartons and stainless condiment inserts"], "text_features": ["ANTUNES"] } } </pre>	NOT an exact match to the PDF - the McDonald's QR Code PDF's HLZ (fry holding zone) category lists only Frymaster as the manufacturer, but this station's overhead timer controller is clearly labeled 'Antunes' (A.J. Antunes & Co.), a different manufacturer performing the same fry-holding/bagging function as the Frymaster HLZ shown in the PDF
 IMG_1097.jpg	Henny Penny LOV Open Fryer (Henny Penny) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-FRYER-HENNYPENNY-LOV-002", "equipment_type": "fryer", "manufacturer": "Henny Penny", "model": "LOV Series (LVE-200 or LVG-200, exact vat count/fuel type not confirmed)", "display_name": "Henny Penny LOV Open Fryer", "reference_images": [{ "image_id": "IMG-FRYER-HENNYPENNY-002", "path": "data2/IMG_1097.jpg", "description": "Henny Penny branded open fryer with 'HENNY PENNY' wordmark, overhead automatic basket-lift rails, red-handled wire baskets (one holding fries), dark tempered-glass fascia, and a three-compartment filtration drawer base." }], "identification_features": { "visual_features": ["'HENNY PENNY' wordmark on front fascia", "Overhead automatic basket-hoist rail assembly", "Red-handled wire fry baskets suspended over vats, one loaded with fries", "Dark tempered-glass front control fascia", "Three-compartment filtration drawer base with casters and a side oil-disposal caddy"] } }, </pre>	Matched to McDonald's QR Code PDF, Section V (Fryer) - Henny Penny LOV family;

Image	Equipment Name & Company	JSON Specification	Comment
		<pre> "text_features": ["HENNY PENNY"] } </pre>	
 IMG_1098.jpg	Taylor Soft Serve / Shake Freezer, C602 Series (Taylor) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-SHAKE-TAYLOR-C602-002", "equipment_type": "soft_serve_shake_freezer", "manufacturer": "Taylor", "model": "C602 (Soft Serve/Shake Combination Freezer)", "display_name": "Taylor C602 Soft Serve / Shake Combination Freezer", "reference_images": [{ "image_id": "IMG-SHAKE-TAYLOR-002", "path": "data2/IMG_1098.jpg", "description": "Taylor branded soft-serve/shake freezer with clearly legible 'TAYLOR' wordmark and crown logo, digital touch display reading 'POWER SWITCH OFF', three black dispensing handles, and a syrup/topping rail with rinse cup and bowl below." }], "identification_features": { "visual_features": ["'TAYLOR' wordmark and crown logo on the control head", "Circular touch-icon control ring (soft serve, shake, clean cycle icons) around a small LCD status display", "Three black dispensing handles over spouts", "Syrup/topping rail with rinse bowl and cup positioned below the dispensing door", "Stainless steel body on casters"], "text_features": ["TAYLOR", "POWER SWITCH OFF"] } } </pre>	Category matched to McDonald's QR Code PDF, Section XI (Shake/Sundae) - Taylor family (C602 or C716).
 IMG_1099.jpg	Bunn Axiom BrewWise Coffee Brewer, Dual Unit (Bunn) <i>(Matched to McDonald's QR Code PDF)</i>	<pre> { "equipment_id": "EQ-COFFEE-BUNN-AXIOM-BREWWISE-002", "equipment_type": "coffee_brewer", "manufacturer": "Bunn", "model": "Axiom BrewWise", "display_name": "Bunn Axiom BrewWise Coffee Brewer", "reference_images": [{ "image_id": "IMG-COFFEE-AXIOM-002", "path": "data2/IMG_1099.jpg", "description": "Two side-by-side Bunn Axiom Series coffee brewers, each with a McCafe glass decanter warmer on top, digital brewer control panel, and a second McCafe decanter brewing station below." }], "identification_features": { "visual_features": ["'BUNN' wordmark with 'AXIOM SERIES' label on each unit", "Digital Brewer Control display with Enable On/Off and Brew buttons", "Rear/Front warmer buttons", "Red 'Lift for Hot Water' handles", "Twin McCafe glass decanters per unit (top warmer + brew station)"], "text_features": ["BUNN", "AXIOM", "Digital Brewer Control"] } } </pre>	Matched directly to McDonald's QR Code PDF, Section III (Coffee/Espresso) - Bunn / Axiom BrewWise;

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_1100.jpg	Wilbur Curtis Gem X Satellite Brewer (Wilbur Curtis) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-COFFEE-CURTIS-GEMX-002", "equipment_type": "coffee_brewer_satellite", "manufacturer": "Wilbur Curtis", "model": "Gem X Satellite Brewer", "display_name": "Wilbur Curtis Gem X Satellite Brewer", "reference_images": [{ "image_id": "IMG-COFFEE-GEMX-002", "path": "data2/IMG_1100.jpg", "description": "Curtis Gem X dual-satellite coffee brewer with McCafe branded thermal servers, positioned next to a SureShot sweetener dispenser and a Curtis ALPHA decanter brewer." }], "identification_features": { "visual_features": ["'Curtis' and 'GEM X' logos on the brew head", "McCafe branding on twin satellite thermal servers labeled with cup-count fill lines", "Dual dispensing spouts with red 'HOT WATER' safety-lock tag", "Stainless dispensing legs/feet"], "text_features": ["Curtis", "GEM X", "McCafe"] } }</pre>	Matched directly to McDonald's QR Code PDF, Section III (Coffee/Espresso) - Wilbur Curtis / Gem X Satellite Brewer.
 IMG_1101.jpg	Melitta Cafina CT8 Espresso Machine (Melitta) <i>(Not in PDF's 14 categories / not an exact model match — identified via web search)</i>	<pre>{ "equipment_id": "EQ-COFFEE-MELITTA-CAFINA-CT8-002", "equipment_type": "espresso_machine", "manufacturer": "Melitta", "model": "Cafina CT8", "display_name": "Melitta Cafina CT8 Espresso Machine", "reference_images": [{ "image_id": "IMG-COFFEE-MELITTA-CT8-002", "path": "data2/IMG_1101.jpg", "description": "Melitta branded espresso machine with a large touchscreen display reading 'Cafina CT8', twin bean/ingredient hoppers on top, a McCafe bean bag staged beside it, and a cup dispenser column to the right." }], "identification_features": { "visual_features": ["'Melitta' wordmark on the touchscreen bezel", "Large color touchscreen reading 'Cafina CT8'", "Twin clear bean/ingredient hoppers mounted on top", "HACCP/hazard warning label stack on the front housing", "Column of stacked cup dispensers beside the machine", "McCafe-branded coffee bean bag staged on top"], "text_features": ["Melitta", "Cafina CT8", "HACCP", "INSPECTED BY"] } }</pre>	The McDonald's QR Code PDF's Coffee/Espresso section (III) lists a Melitta unit as model 'c5-12C FF' - a different model than what is pictured here. This unit's own screen clearly identifies it as the Melitta Cafina CT8,

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_1103.jpg	IMI Cornelius ABS Beverage Dispenser (IMI Cornelius) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-ABS-CORNELIUS-ABS-003", "equipment_type": "automated_beverage_system", "manufacturer": "IMI Cornelius", "model": "ABS", "display_name": "IMI Cornelius ABS Automated Beverage System", "reference_images": [{ "image_id": "IMG-ABS-CORNELIUS-003", "path": "data2/IMG_1103.jpg", "description": "Cornelius ABS dispensing tower with 'ABS' instruction placard, vertical cup-tube dispensers, membrane keypad (Coca-Cola, Coke, Fanta, Water, Soda), and a circular drip-tray carousel loaded with black portion cups." }], "identification_features": { "visual_features": ["'ABS' instruction placard at top of unit", "Row of vertical cup-tube dispensers above the keypad", "Membrane keypad with brand-labeled drink buttons and Manual/Auto, Silence Alarm, No Ice, Extra Ice, Enter controls", "Circular drip-tray carousel with black portion cups below the dispensing head"], "text_features": ["ABS", "AUTOMATED BEVERAGE SYSTEM", "Remove and Clean Daily / Quite y Limpie Diariamente", "Do Not Overfill Cup Tubes"] } }</pre>	Matched directly to McDonald's QR Code PDF, Section I (ABS) - IMI Cornelius / ABS;
 IMG_1104.jpg	Blodgett BLCT-6E-MCD Combi Oven (Blodgett), shown beside a Convotherm easyTouch Combi Oven (Convotherm) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-OVEN-BLODGETT-BLCT6E-MCD", "equipment_type": "combi_oven", "manufacturer": "Blodgett", "model": "BLCT-6E-MCD (mini boilerless electric combi oven, McDonald's-specific configuration)", "display_name": "Blodgett BLCT-6E-MCD Combi Oven", "reference_images": [{ "image_id": "IMG-OVEN-BLODGETT-001", "path": "data2/IMG_1104.jpg", "description": "Right-hand unit: Blodgett branded combi oven with glass door and touch control panel, topped by a black 'Hoodini' ventless exhaust hood. Left-hand unit (same photo): a Convotherm easyTouch combi oven with a Halton exhaust hood, both mounted over a stainless prep table and refrigerated drawer base." }], "identification_features": { "visual_features": ["'BLODGETT' wordmark on the oven's control fascia", "Black ventless exhaust hood (Hoodini-branded) mounted above the oven", "Glass oven door with interior wire shelf racking and door-mounted drip tray", "Round control knob and touch controller", "Companion Convotherm easyTouch combi oven (with red 'C' logo and Halton hood) mounted to its left on the same prep stand"], "text_features": ["BLODGETT", "Halton (on companion unit)", "easyTouch (on companion unit)"] } }</pre>	Category matched to McDonald's QR Code PDF, Section IX (Oven), which lists Blodgett as a manufacturer - however the PDF's Blodgett entry shows a different model ('1/4 size (SPODS)', a cook-and-hold style oven), not this combi/steam oven. Web search confirms Blodgett manufactures a 'BLCT-6E-MCD' mini boilerless combi oven specifically for McDonald's, which matches this unit's touchscreen combi-oven design and Hoodini ventless hood;

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_8856.jpg	Bunn Infusion Series Satellite Brewer (Bunn) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-COFFEE-BUNN-INFUSION-SATELLITE", "equipment_type": "coffee_brewer_satellite", "manufacturer": "Bunn", "model": "Infusion Series Satellite Brewer", "display_name": "Bunn Infusion Series Satellite Brewer", "reference_images": [{ "image_id": "IMG-COFFEE-BUNN-INFUSION-001", "path": "data/IMG_8856.jpg", "description": "Bunn Infusion Series satellite coffee/iced tea brewer with yellow brew funnel and digital control panel." }], "identification_features": { "visual_features": ["Bunn branding on control panel", "Yellow brew funnel/hopper", "Digital Infusion Series control panel with colored buttons", "Tall stainless steel tower body", "Blue pitcher hanging alongside for iced tea/coffee"], "text_features": ["BUNN", "INFUSION SERIES", "ADD A FULL PITCHER OF ICE BEFORE BREWING ICED TEA OR ICED COFFEE"] } }</pre>	Matched directly to McDonald's QR Code PDF, Section III (Coffee/Esspresso) - Bunn / Infusion Series Satellite Brewer.
 IMG_8857.jpg	SureShot AC110-PC-51 IntelliShot Refrigerated Dairy Dispenser (SureShot) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-CREAMDISP-SURESHOT-AC110PC51", "equipment_type": "cream_dispenser", "manufacturer": "SureShot", "model": "AC110-PC-51", "display_name": "SureShot AC110-PC-51 IntelliShot Refrigerated Dairy Dispenser", "reference_images": [{ "image_id": "IMG-CREAMDISP-AC110-001", "path": "data/IMG_8857.jpg", "description": "SureShot Solutions branded refrigerated liquid dispenser with 3 push-button portion selectors and small LCD display." }], "identification_features": { "visual_features": ["SureShot Solutions logo top-right", "Pink/red backlit McDonald's arches panel", "3 numbered portion buttons (1,2,3)", "Small LCD readout above buttons", "Stainless steel cabinet with drip tray base"], "text_features": ["SURESHOT SOLUTIONS", "Iced Coffee MD", "Iced Coffee 1/2"] } }</pre>	Matched to PDF Section IV (Cream Dispenser) - SureShot family; specific model AC110-PC-51 identified via visual comparison and manufacturer documentation (IntelliShot refrigerated dairy dispenser).

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_8858.jpg	Bunn Hot Water System / Tower (Bunn) <i>(Not in PDF's 14 categories / not an exact model match — identified via web search)</i>	<pre>{ "equipment_id": "EQ-HOTWATER-BUNN-TOWER", "equipment_type": "hot_water_dispenser", "manufacturer": "Bunn", "model": "Hot Water System (Tower)", "display_name": "Bunn Hot Water System", "reference_images": [{ "image_id": "IMG-HOTWATER-BUNN-001", "path": "data/IMG_8858.jpg", "description": "Bunn branded hot water tower with red spigot handle, mounted next to a satellite coffee brewer." }], "identification_features": { "visual_features": ["Bunn logo on stainless tower", "Red-handled water faucet", "Black plastic base/drip tray", "Brewing instruction card mounted above unit"], "text_features": ["BUNN", "HOT WATER SYSTEM", "WARNING Hot Water Use With Care"] } }</pre>	NOT listed as its own category in the McDonald's QR Code PDF (the PDF only covers Coffee/Espresso, ABS, Blended Ice, Cream Dispenser, Fryer, Grill, HLZ, OJ Dispenser, Oven, Q-ing Oven, Shake/Sundae, Steamer, Toaster, UHC). Identified independently via visible Bunn branding and web search
 IMG_8859.jpg	Viking-branded Coffee Satellite Dispenser (Viking) - unconfirmed <i>(Not in PDF's 14 categories / not an exact model match — identified via web search)</i>	<pre>{ "equipment_id": "EQ-COFFEE-VIKING-SATELLITE-UNCONFIRMED", "equipment_type": "coffee_brewer_satellite", "manufacturer": "Viking", "model": "Unknown / Not confirmed", "display_name": "Viking-branded Coffee Satellite Dispenser (model unconfirmed)", "reference_images": [{ "image_id": "IMG-COFFEE-VIKING-001", "path": "data/IMG_8859.jpg", "description": "Stainless satellite coffee dispenser with Viking-labeled control panel showing 1/S, 2/M, 3/L size buttons; Ithaca 9000 receipt printer sits on top (not part of this unit)." }], "identification_features": { "visual_features": ["Viking wordmark on control panel", "Buttons labeled 1/S, 2/M, 3/L and SP", "Stainless steel satellite tower body with access panel", "Drip tray area at base"], "text_features": ["Viking", "1/S", "2/M", "3/L", "SP"] } }</pre>	NOT in the PDF's Coffee/Espresso list (Bunn, Wilbur Curtis, Franke, Melitta). Web search did not return a confirmed match for a 'Viking' commercial coffee satellite brewer used at McDonald's;

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_8860.jpg	SureShot AC2-GP-30 Multi-Sweetener Dispenser (SureShot) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-SWEETENER-SURESHOT-AC2GP30", "equipment_type": "sweetener_sugar_dispenser", "manufacturer": "SureShot", "model": "AC2-GP-30", "display_name": "SureShot AC2-GP-30 Multi-Sweetener Dispenser", "reference_images": [{ "image_id": "IMG-SWEETENER-AC2GP30-001", "path": "data/IMG_8860.jpg", "description": "Tall narrow SureShot dispenser with sweetener/sugar buttons (1,2,3 per side) and QR sticker reading 'AC2-GP-30'." }], "identification_features": { "visual_features": ["Narrow vertical stainless column", "Red/pink McDonald's arches display panel", "Sweetener (left) and Sugar (right) button labels", "QR code sticker on lower cabinet reading SureShot AC2-GP-30", "Perforated drip tray at base"], "text_features": ["SURESHOT", "AC2-GP-30", "sweetener/edulcorante", "sugar/azúcar"] } }</pre>	Matched directly - the model number 'AC2-GP-30' is legible on the equipment's own QR/ID sticker, and it appears in PDF Section IV (Cream Dispenser) as SureShot AC2-GP-30.
 IMG_8862.jpg	Wilbur Curtis ALPHA ALP3GT15A826 Brewer (Wilbur Curtis) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-COFFEE-CURTIS-ALPHA-ALP3GT", "equipment_type": "coffee_brewer", "manufacturer": "Wilbur Curtis", "model": "ALPHA (ALP3GT15A826)", "display_name": "Wilbur Curtis ALPHA (ALP3GT15A826) Coffee Brewer", "reference_images": [{ "image_id": "IMG-COFFEE-ALPHA-001", "path": "data/IMG_8862.jpg", "description": "Curtis ALP3GT decanter brewer with McCafe glass decanter, Gold Cup Series badge and QR service sticker." }], "identification_features": { "visual_features": ["Curtis logo and 'ALP3GT' label on control head", "'The Gold Cup Series' badge", "Warmer buttons: Bottom / Front / Rear / Brew", "Glass McCafe decanter", "Red 'Lift for Hot Water' handle"], "text_features": ["Curtis", "ALP3GT", "THE GOLD CUP SERIES", "Wilbur Curtis Co., Inc."] } }</pre>	Matched directly to McDonald's QR Code PDF, Section III (Coffee/Espresso) - Wilbur Curtis / ALPHA (ALP3GT15A826); model code 'ALP3GT' is visible on the unit's own control panel label.

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_8865.jpg	True Reach-In Refrigerator/Freezer (True Manufacturing) <i>(Not in PDF's 14 categories / not an exact model match — identified via web search)</i>	<pre>{ "equipment_id": "EQ-REFRIG-TRUE-REACHIN", "equipment_type": "reach_in_refrigerator", "manufacturer": "True Manufacturing", "model": "Reach-In Refrigerator/Freezer (specific model not visible)", "display_name": "True Reach-In Refrigerator/Freezer", "reference_images": [{ "image_id": "IMG-REFRIG-TRUE-001", "path": "data/IMG_8865.jpg", "description": "True branded single-door stainless reach-in refrigerator with louvered top condenser housing and digital temperature display." }], "identification_features": { "visual_features": ["True script logo on louvered top housing", "Digital temperature display (reading 3°F)", "Single solid stainless door with recessed handle", "ENERGY STAR / QR service sticker on door"], "text_features": ["True", "ENERGY STAR"] } }</pre>	NOT one of the 14 categories in the McDonald's QR Code PDF. Identified independently via the visible 'True' brand script on the unit; exact model number was not legible in the photo and would need to be read from the interior data plate.
 IMG_8868.jpg	Frymaster Fryer - rear view, BIELA/BIGLA series (Frymaster) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-FRYER-FRYMASTER-BIELA-REAR", "equipment_type": "fryer", "manufacturer": "Frymaster", "model": "BIELA / BIGLA Series (built-in filtration, rear view)", "display_name": "Frymaster Fryer with Built-In Filtration (rear view)", "reference_images": [{ "image_id": "IMG-FRYER-FRYMASTER-REAR-001", "path": "data/IMG_8868.jpg", "description": "Rear view of a Frymaster fryer showing dual digital controller heads on top and a pull-out oil filtration/basket storage drawer below with fry baskets." }], "identification_features": { "visual_features": ["Twin digital vat controllers with green LCD readouts on top deck", "Tall stainless vat housing", "Pull-out lower filtration drawer with wire fry baskets stored inside", "Casters for mobility"], "text_features": ["(digital controller readouts, no manufacturer wordmark visible in this rear-facing shot)"] } }</pre>	Category matched to PDF Section V (Fryer). This appears to be a Frymaster built-in filtration model (BIEL/BIELA/BIGL/BIGLA family shown in the PDF)

Image	Equipment Name & Company	JSON Specification	Comment
 IMG_8869.jpg	Beverage-Air Undercounter Refrigerator (Beverage-Air) <i>(Not in PDF's 14 categories / not an exact model match — identified via web search)</i>	<pre>{ "equipment_id": "EQ-REFRIG-BEVAIR-UNDERCOUNTER", "equipment_type": "undercounter_refrigerator", "manufacturer": "Beverage-Air", "model": "Undercounter Refrigerator (specific model not visible)", "display_name": "Beverage-Air Undercounter Refrigerator", "reference_images": [{ "image_id": "IMG-REFRIG-BEVAIR-001", "path": "data/IMG_8869.jpg", "description": "Two-door stainless steel undercounter refrigerator with Beverage-Air badge on the top right door." }], "identification_features": { "visual_features": ["'BEVERAGE-AIR' wordmark badge on door", "Two hinged doors with black handles", "Stainless steel worktop surface", "Ventilation louvers at base of doors"], "text_features": ["BEVERAGE-AIR"] } }</pre>	NOT one of the 14 categories in the McDonald's QR Code PDF. Identified independently via the visible Beverage-Air badge;
 IMG_8870.jpg	Prince Castle UHC6PT-22MCD Universal Holding Cabinet (Prince Castle) <i>(Matched to McDonald's QR Code PDF)</i>	<pre>{ "equipment_id": "EQ-UHC-PRINCECASTLE-UHC6PT22MCD", "equipment_type": "universal_holding_cabinet", "manufacturer": "Prince Castle", "model": "UHC6PT-22MCD", "display_name": "Prince Castle UHC6PT-22MCD Universal Holding Cabinet", "reference_images": [{ "image_id": "IMG-UHC-PRINCECASTLE-001", "path": "data/IMG_8870.jpg", "description": "Prince Castle UHC touchscreen-controlled holding cabinet with 6 numbered shelf slots (1-6) and overhead bagging/condiment rack." }], "identification_features": { "visual_features": ["Color touchscreen control panel on top fascia", "Six numbered shelf slots (1 through 6) labeled on both side rails", "Dark tempered-glass shelf fronts", "Overhead wire bagging/condiment caddy rack", "Casters/legs at base"], "text_features": ["1", "2", "3", "4", "5", "6"] } }</pre>	Category matched to PDF Section XIV (UHC).
